OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

Bangalore, 29th April 1911.

From

~~J. WEIR, Esq., M.A.,~~

The *Inspector-General of Education in Mysore.*

To C.S. Balasundaram Iyer, Esq., B.A.,

Offg. Secretary to the Government of H.H. the Maharaja of Mysore, General and Revenue Departments, Bangalore.

SIR,

I have the honour to inform you that the location of the Local Examination Office in a small room on the third floor of the Public Office buildings has been causing great inconvenience to the Local Examination Office as well as to the Government Press.

2. For nearly three months in the year the Manager of the Office will be engaged in printing, translating and packing question papers of the various examinations, and for this purpose he uses the confidential room in the Press. It so happens sometimes that the Superintendent of the Press has some other confidential printing work to do, and the result is a distrobance both to the Manager and the Press Authorities.

3. As the room in which the Examination office is held is too open and insecure and as the iron safes given to the Manager for keeping question papers cannot be taken up to the third floor, he is obliged to do the translation and packing work in the Press Room. It is now reported that the Superintendent has refused to allow the Manager in future the use of the Press Room for his translation and packing business.

4. The Manager while he is engaged in the confidential work in

the Press Room, has also to attend to his regular office work, and the sequence is that he and his peons will have to be moving to and from Press Room several times a day, for about three months in the year.

All this inconvenience will be avoided if the Manager's office be removed to the first or ground floor of the Public Office Buildings, where he will be able not only to do his translation and printing business but also to attend to the routine work of the office.

The Manager says that rooms will be available shortly in the first floor of the Public Buildings by the amalgamation of the Kolar Treasury with the District Treasury of Bangalore and the removal of the Arithmetical office to Mysore.

Under these circumstances I request that you will be so good as to find suitable accommodation for the Local Examination office on the first floor of the Public Buildings and place a big room at his disposal for confidential work in connection with the Examinations.

I have the honour to be,

Sir,

Your most obedient servant,

For Inspector General.
